1792-1815, by Alexander Mikaberidze***

800 biographies, 400 illus, 35 charts/graphs,
544 pp., 7 x 10, HC, d.j. \$64.95

Presented here, for the first time in any language, are some 800 detailed biographies of the senior Russian officers who commanded troops in the Revolutionary and Napoleonic Wars. Dr. Mikaberidze's *The Russian Officer Corps* is based upon years of research in Russian archives. Each biography includes the subject's place of birth, family history, educational background, a detailed description of his military service, his awards and promotions, wounds, transfers, commands, and other related information, including the date and place of his death and internment, if known.

The Russian Officer Corps also includes a special 50-page section detailing the organization of the Russian military, how it was trained, the educational and cultural background of the officer corps, its awards and their history and meaning, and much more. This outstanding overview is supported and enhanced by three dozen charts, tables, and graphics that illustrate the rich history of the Russian officer corps, a Foreword by Dr. Donald D. Horward, and an annotated bibliography.

Stunning in its scope and depth of coverage, *The Russian Officer Corps* will be of tremendous use to historians, scholars, genealogists, hobbyists, wargamers, and anyone working or studying late 18th and early 19th century European history. Every student of the Russian and Napoleonic Wars, as well as every academic library, will find this impressive reference work absolutely indispensable.

"Dr. Mikaberidze has produced a book that will be invaluable to anyone interested in the Russian army and the campaigns of the Napoleonic period."

— Dr. Donald D. Horward, Institute on
Napoleon and the French Revolution,
